

INDIANA VECTOR CONTROL ASSOCIATION

www.ivca.us

December 3, 2021

After a hiatus, the 46th annual IVCA conference will be back in person for 2022. This year's agenda is chock-full of interesting speakers and current topics, so I hope you will join us.

The conference will be March 6-8 at the **Sheraton Louisville Riverside Hotel**, located at **700 W Riverside Dr, Jeffersonville, IN 47130**. Overnight guest room rates at the inn are **\$96 + 13% tax** single/double occupancy. Each individual guest must make their own reservation by calling 1-888-236-2427 or 812-284-6711. There isn't a group code, but state you're with IVCA.

This year's topics include: mosquitoes, ticks, cockroaches, bedbugs, and much more. **This meeting is strongly recommended for anyone who is or will be responsible for mosquito and vector control activity.**

CCH credits toward renewal of Indiana pesticide applicator certification will be available for categories 7a, 8, and RT. Registration for the conference is \$115 for pre-registration, \$155 at the door (student registration is \$55, \$60 at the door). Students will be required to have their major advisor sign their registration form to receive the reduced fee. The registration form is enclosed. Thanks to Clarke for hosting the Monday lunch and Adapco for the Tuesday breakfast. Also, thank you to Vesperis and Central Life Sciences for hosting the breaks and hospitality mixers. Please visit our sponsors to extend your appreciation to them.

Deadline for pre-registering for this conference is March 1, 2022. **PLEASE REGISTER AND RETURN YOUR FORMS AND FEES EARLY**, so we have an accurate estimate for meals. We look forward to seeing you in Jeffersonville!

Sincerely,

Doug Ginder
Interim President
IVCA Southern Delegate
